1) **Take tram no. 6** (direction "St. Peter"), get off at the stop "Eisteichgasse".

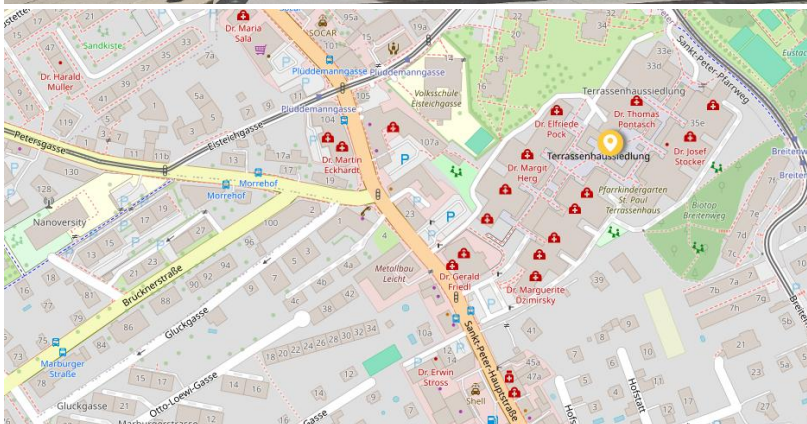

Walk less than 100 meters in the direction of travel, take the street down to the right and keep right, then you will enter the "Hof" (Courtyard).

In the middle of the four buildings (29, 31, 33, 35) the "Zentrum" (Center) is located in building 33, where our meeting takes place.
